EAST Ardsley players celebrate their sponsorship deal with Redrow Homes

Redrow help East Ardsley cricketers

WAKEFIELD-BASED Redrow have hit a cricket team for six with match sponsorship.

The house-builders are sponsoring two of East Ardsley Cricket Club's matches.

The club, founded in 1877, plays in local leagues with two senior teams and three junior.

Club chairman and treasurer Mike Pearson said support from local business was important to the club.

"Our aim this season for the senior teams is to push for promotion to higher leagues," he said.

"Another key aim is to attract more young players.

"Cricket has increased in popularity over recent years thanks to well known faces like Nasser

Hussain, Darren Gough and Dominic Cork and we're hoping more young players will follow their lead and take up the sport."

Julie Rayner, sales manager of Redrow Homes (Yorkshire), said: "As a local developer it is important for us to support local teams and community projects.

"We wish East Ardsley Cricket Club every success for the future."

Redrow Homes have a number of developments in Yorkshire, including four-bedroom detached homes at Saddlers Way in Badsworth and three and four-bedroom homes at Steeple View, Grange Moor.

For more information on these and other developments call the regional sales office on 01924 822566 or go online at www.redrow.co.uk
